The Principal Bhavan's college,
Dakor.

Subject:- Thalassemia awareness & testing blood donation drive conducted on 8th January, 2018.

Dear Sir,

First of all I would like to take this opportunity to thank you for giving us opportunity to organize Thalassemia testing drive for your students. During the drive we have received full support and cooperation from your team.

I would like to inform you that we have thalassemia collected 239 samples. And 25 blood donation I am sending you all the reports. I would like to request you to organize one counselling session for these students and their family members. Please let us know dates and timings for counselling session, so that we can plan accordingly. Counselling will be done by our doctor/trained counsellor.

Warm Regards,

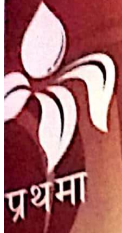

Dr. Kishore Maheshwari

Subject:- Thalassemia awareness & testing drive conducted on 8th February, 2019.

Dear Sir,

First of all I would like to take this opportunity to thank you for giving us opportunity to organize Thalassemia testing drive for your students. During the drive we have received full support and cooperation from your team.

I would like to inform you that we have collected 259 samples. I am sending you all the reports. Out of total samples collected 08 students have been identified as Thalassemia Minor trait and other 33 for other deficiency. I am also enclosing list of these 41 students who need counselling. I would like to request you to organize one counselling session for these students and their family members. Please let us know dates and timings for counselling session, so that we can plan accordingly. Counselling will be done by our doctor/trained counsellor.

Warm Regards.

Rajneesh Bakshi
Outreach Head
